PART I: GENERAL INFORMATION

A. DISCLAIMER

The Workforce Innovation and Opportunity Act (WIOA) was signed into law on July 22, 2014 and implemented on July 1, 2015. The US Department of Labor released the Final Regulations on June 30, 2016, which were published in the Federal Register on August 19, 2016. This request for proposals, any bids submitted by proposers to this request, and any final contracts negotiated with the successful Bidder(s) as a result of this proposal is subject to final laws and regulations and may be changed at any time to be in compliance with those laws and regulations. Bidders are strongly encouraged to follow the Department of Labor's WIOA resource page for the latest updates: www.doleta.gov/wioa.

As the Midlands Workforce Development Board continues to develop and refine its systems, policies, procedures and regulations, changes may occur. Bidding organizations may be requested to modify program design or the delivery of services. Should a request for a change in program design or service occur, Administrative staff would assist bidding organizations or service providers in the redesign to ensure consistency with Board policy and regulatory requirements.

The Midlands Workforce Development Board reserves the right to cancel or modify this request for proposal or the scope of funding of an approved WIOA program to any extent necessary to ensure compliance with state and/or federal guidelines. This may occur at any time prior to or during implementation of the WIOA programs for PY 2026 or any applicable extensions. Therefore, all successful proposers must demonstrate the capability and agree, in advance, to modify their program design to comply with the new regulations and/or changes to available funds.

B. INTRODUCTION/PURPOSE:

The purpose of this Request for Proposals (RFP) is to solicit competitive applications for the operation of programs to serve Workforce Innovation and Opportunity Act (WIOA) – eligible, Adults, Dislocated Workers and Youth as well as a One-Stop Operator. The MWDB is seeking proposals to provide workforce development activities and services to eligible job seekers residing in Fairfield, Lexington and Richland Counties, South Carolina.

WIOA was signed into law on July 22, 2014 and designed to help job seekers access employment, education, training and support services to succeed in the labor market and matched to employers with the skilled workers they need. WIOA supersedes the Workforce Investment Act of 1998 and amends the Adult Education and Family Literacy Act, The Wagner-Peyser Act, and the Rehabilitation Act of 1973. Updates from the US Department of Labor will be issued over time. The website for the latest on WIOA regulations is www.doleta.gov/wioa.

Workforce development-oriented organizations, with or without previous experience as a contractor with the Midlands area, are encouraged to submit proposals. Only proposals from organizations that can demonstrate that they have the ability to provide workforce development services within the region and scope set forth by the MWDB will be considered for funding.

C. FUNDING AVAILABILITY

The planning estimate for the purpose of this RFP is a total of \$2,825,000 for services to WIOA Adults, Dislocated Workers and Youth. Employment and training activities for adults and dislocated workers are similar but each has their own funding stream and eligibility requirements. IMPORTANT NOTICE - Funding levels identified in this RFP are preliminary estimates and are used for planning purposes only. Total final contract amounts are subject to funding levels for PY26.

Adult WIOA Services – \$930,000

Dislocated Worker Service – \$925,000

Youth Services - \$970,000

MWDB awards contracts based on allocations approved by the State at the beginning of each program year.

In compliance with the Stevens Amendment: Funding details for award totals for program year 2025 (PY'25) are provided at (<https://www.midlandsworkforce.org/funding>) and are revised annually. This bid solicitation is fully funded from federal sources.

The South Carolina State Workforce Development Board has set the expectation that the local areas will reach a minimum of 70% expenditures of the total available funds each program year for each funding stream. Therefore, it is expected that the contractor will expend not less than 80% of their total budget each program year with the understanding that the 100% expenditure of the grant is the goal within two (2) years.

Bidders should propose comprehensive WIOA services to be provided to Adult, Dislocated Worker and Youth customers, but must delineate separate costs of those services for each of the customer groups as well as an indication of the budget for One-Stop Operator. Anticipated participant levels to transfer from PY 2025 to the successful bidder(s) for the local area are approximately: 185 Adults, 50 Dislocated Workers and 115 Youth. At a minimum, the Midlands area will enroll and serve approximately an additional 310 Adults, 80 Dislocated Worker and 165 Youth participants through PY 2024.

PART II: SCOPE OF WORK

A. OVERVIEW

The Workforce Innovation and Opportunity Act (WIOA) was developed from Vice President Biden’s job-driven training report. The report identified seven elements of the best practices to be integrated into the service strategies for employment and training programs. The “Job-Driven Checklist” is as follows:

- **Business Outreach/Employer Engagement** – Work up-front with employers to determine local or regional hiring needs and design training programs that are responsive to those needs.
- **Earn and Learn** - Offer work-based learning opportunities with employers – including on-the-job training, internships, pre-apprenticeships, and Registered Apprenticeships as training paths to employment.
- **Smart Choices** – Make better use of data to drive accountability, inform what programs are offered and what is taught, and offer user-friendly information for job seekers to choose what programs and pathways work for them and are likely to result in jobs.
- **Measurement Matters** – Measure and evaluate employment and earnings outcomes.
- **Stepping Stones** – Promote a seamless progression from one educational stepping stone to another, and across work-based training and education, so individuals’ efforts result in progress.
- **Opening Doors** – Break down barriers to accessing job-driven training and hiring for any American who is willing to work, including access to supportive services and relevant guidance.
- **Regional Partnerships** – Create regional collaborations among American Job Centers, education institutions, labor and non-profits.

While the above outlines the core principles of the legislation, it is included in the RFP for understanding of those guiding principles and should not be interpreted that the Bidder would be expected to propose all of the tasks listed.

B. DESCRIPTION OF SERVICES

Adult and Dislocated Worker

Under WIOA, Adult and Dislocated Worker core and intensive services are collapsed into “career services” and there is no required sequence of services, enabling job seekers to access training immediately. Some of these services will be provided by partner organizations and programs currently in the SC Works (One-Stop) Center and others will be provided by the grant awarded from this solicitation. It is imperative that the successful Bidder excel in collaboration of resources to ensure the full array of services is available while having no duplication of services. Career services to be offered include:

- Eligibility Determination for funding and services
- Outreach, intake, and orientation to the information and other services available through the One-Stop delivery system
- Initial assessment of skill levels (including literacy, numeracy, and English language proficiency) aptitudes, abilities (including skills gaps), and supportive service needs
- Job search and placement assistance and, in appropriate cases, career counseling, including –
 - Information on in-demand industry sectors and occupations, and nontraditional employment;
 - Appropriate recruitment and other business services on behalf of employers

- Information for the Center customers regarding the local performance accountability measures
- Information for the Center customers relating to the availability of supportive services or assistance provided by partners
- Referrals to supportive services or other needed assistance

- Information and assistance regarding establishing eligibility for financial aid assistance for training and education programs

- Other services needed for individuals to obtain or retain employment that consist of

 - Development of an individual employment plan, to identify employment goals, appropriate achievement objectives, and an appropriate combination of services for the participant to achieve the employment goals, including providing information on eligible providers of training services and career pathways to attain career objectives;
 - Group counseling;
 - Career planning;
 - Short-term prevocational services, including the development of learning skills, how to job search, connecting to community resources;

 - Workforce preparation activities;
 - Financial literacy services;
 - Out-of-area job search assistance and relocation assistance; or
 - English language acquisition and integrated education and training programs, and
 - Follow-up services including counseling regarding the workplace, for participants in WIOA-authorized activities who are placed in unsubsidized employment for not less than 12 months after the first day of the employment, as appropriate.

Training Services are described as:

- Occupational skills training, including training for nontraditional employment;
- On-the-Job training;
- Incumbent worker training (as authorized by the SWIB and local Board)
- Programs that combine workplace training with related instruction, which may include cooperative education programs;
- Training programs operated by the private sector;
- Skills upgrading and retraining;
- Entrepreneurial training;
- Transitional jobs;
- Job readiness training provided in combination with occupational skills training;
- Adult education and literacy, including activities of English language acquisition and integrated education and training programs, provided concurrently or in combination with occupational training;
- Customized training conducted with a commitment by an employer or group of employers to employ an individual upon successful completion of the training

Youth

WIOA Youth Services should provide a comprehensive mix of program elements, services, and activities that address participants' employment, training, and supportive services needs. A "hands-on" case management model that uses a holistic approach to help youth is desirable. This request is seeking proposals to provide eligibility determination, initial assessment, plan development, provision of program elements, and follow-up services. The goals of the program include skills gains within the program, placement, and retention in employment, education, and/or training, credential rate, and median earnings.

Funds allocated to a local area for eligible youth shall be used to carry out programs that provide the functions described below. All of the functions listed will need to be provided with the funds included in this solicitation.

- **Participant Recruitment and Screening** - Contractors are responsible for recruitment and screening applicants for eligibility and suitability to participate in the WIOA youth program. The proposer must develop/outline a detailed recruitment plan including outreach activities to recruit eligible youth in accordance with the youth

eligibility requirements.

- **Eligibility-** Under WIOA, all youth participants must meet eligibility criteria. The youth participant must be certified and determined eligible for any WIOA-funded program elements. Certification must be completed before enrollment and any WIOA services are provided.
- **Orientation** - The Bidder must provide orientation to all participants before placing them in a training activity or worksite assignment. Orientation is to be completed in accordance with the Midlands Workforce Development Board's procedure and includes program objectives, expectations, and work standards. For participants who will be entering the labor market upon completion of the program, the Bidder must describe how this will be accomplished.
- **Objective Assessment** – Each participant shall be provided with an objective assessment of his/her academic levels, skill levels, employment skills, prior work experience, employability, and service needs at the time of enrollment into WIOA activities. Standardized assessment tests will be used for assessment of basic skills, career interests, aptitudes (including interests and aptitudes for nontraditional jobs), and work readiness needs. Reasonable accommodations for individuals must be provided. Assessment is a continuous process through program participation.
- **Individual Service Strategy (ISS)** – Develop an Individualized Service Strategy plan (ISS) with each participant that will reflect and utilize the information obtained from the objective assessment, individual interviews, and other sources of information that are directly linked to one (1) or more of the WIOA performance outcomes. The ISS must be developed with the participant and kept up to date. The ISS shall identify career pathways that include the participant's educational and employment goals. It is a plan that should be used to track services to be delivered and/or coordinated by the program and should be regularly reviewed and updated as changes occur.
- **Data entry** – Data entry into any State and Local tracking databases to accurately account for services provided and expenses incurred. This includes participant data, performance achievement, and financials.
- **Applicants Not Meeting Enrollment Requirements/Referral** – Any provider of a WIOA program shall ensure that an applicant who does not meet the enrollment requirements of the program or who cannot be served shall be referred for further assessment, as necessary. A referral must be made to appropriate training and educational programs that have the capacity to serve the participant either on a sequential or concurrent basis to meet the basic skills and training needs of the applicant. The referral(s) must be noted on the participant's file and followed up on. This will require collaboration with the Adult/Dislocated Worker provider(s) and other community agencies as applicable.
- **Case Management Services** – Comprehensive case management to work closely with participants to provide support and guidance, address needs and barriers, coordinate services, and assist in the attainment of goals and objectives. Regular personal contact with participants is essential to the success of the youth. Depending on the activities the youth is engaged in, the frequency will vary for the individual, but the case management aspect is the support system for the education and employment activities. Documentation of service delivery must be completed on time, include all pertinent details, and maintain client confidentiality of all information. The case management services will also include linkages and coordination to other programs and services available to support the individual's ISS, as well as the coordination of non-WIOA funds to prevent duplication of services and maximize the services delivered.
- **Work-based Learning tied to Career Pathways** – Work-based learning (a combination of work experience and job shadowing, internships, On-the-Job Training, and Apprenticeships) is a critical element of focus in WIOA. At least 30% of the full Youth budget must be spent on these activities. It is critical that the proposal demonstrate an understanding of career pathways and developing customized, individual work-based learning opportunities for Midlands WIOA Youth that lead to self-sufficient employment.

- **Additional Program Elements** - In order to support the attainment of a secondary school diploma or its recognized equivalent, entry into postsecondary education, and career readiness for participants, the youth program shall provide the following elements:

 - ✓ Activities that help youth prepare for and transition to postsecondary education and training

SC Works Centers shall offer a broad range of integrated services that are provided at no cost to eligible employers to support economic and workforce development efforts. The Business Services Team will be responsible for coordinating the following employer services with all necessary SC Works Partners:

Under this RFP, the Contractor will be responsible for carrying out all Work Based Learning (WBL) requirements for Adult, Dislocated Worker, and Youth Services in the Midlands Area. This includes but is not limited to; OJT, Transitional Jobs, Summer Youth Program, Work Experience, Internships, and Apprenticeships.

In the event a bidder is selected as the provider of One-Stop Operator Services and WIOA services, the bidder must demonstrate that appropriate firewalls are in place to avoid conflicts of interest or the appearance of a conflict of interest. Examples of firewalls may include, but are not limited to: organizational arrangements that provide clear separation of duties and responsibilities, including confidentiality and disclosure agreements.

2. One-Stop Certification

The One-Stop Operator must achieve the major work components and standards necessary to acquire and maintain One-Stop Certification Standards (Management, Job Seeker, and Employer Services). The Operator is responsible for coordinating with the MWDB to ensure the system-wide standards are achieved and utilize continuous quality improvement assessment tools to document success. Development of additional tools may be necessary to achieve and document measurements within the Certification Standards.

3. Outreach and Business Services Integration

The MWDB has established: (1) Partner Collaboration support; and (2) an Area Business Services Lead. The Operator will work within the Area to achieve maximum results in a seamless delivery system. The Area Business Services Lead coordinates the various business services available through the Center partners through outreach to area professional organizations (Chambers, trade organizations, state-level partners, etc.).

The Operator will provide support to these divisions as needed, monitor the services delivered, shared across partners, and seek process improvements. In addition, the Operator will be responsible for ensuring these services are ADA and EO-compliant. The Operator will maintain the Midlands Limited English Proficiency (LEP) Plan and ADA-compliant equipment. The Operator will ensure staff understands and implements the LEP plan and uses the ADA equipment as needed.

C. PERFORMANCE STANDARDS

The Bidder shall include performance outcomes that will be achieved consistent with federal performance standards and the performance expectations of the MWDB. The board expects the successful Bidder will propose performance outcomes, but more importantly, the response to this RFP must indicate how the combination of services proposed will achieve performance standards. The State has not negotiated Program Year 2026 performance measures with local areas at the issuance of the RFP. Therefore, Bidders should plan to build programs and strategies to achieve the best possible WIOA performance Program Year 2026. The successful Bidder will be required to provide general liability insurance certificate coverage and provide verification annually as part of the compliance documents.

PART III: COST CATEGORIES & RELATED SERVICES

A. Cost Allocation Plans

Cost allocation plans that reflect the allocation of costs to the Adult, Dislocated Worker, and Youth cost pools are required of all Bidders. A cost allocation plan is a methodology for identifying and distributing any joint costs related to a program, as well as any costs to be allocated under plans of other organizational units that are to be included in the costs of federally sponsored programs.

B. Sustainability

The MWDB is particularly interested in innovative approaches that show collaboration in addressing the holistic needs of the participants to be served. Special emphasis should be given to how the private sector will play a role in this initiative. The Bidder's connections to local employers and specific plans for addressing employers' needs and eliciting their investment in the system should be provided in the application. Bidders may choose to include a summary table of new initiatives that will be started with the award of this grant to include projections of the numbers of adults and dislocated workers that will be served each year and the annual funding levels anticipated.

C. Reporting

The successful Bidder will be required to submit a monthly payment invoice by the 10th calendar day of each month. Appropriate supporting backup documentation for the payment must be attached to each submitted invoice. In addition, the Annual financial closeout report will be due to the MWDB Administrative office no later than August 15. Direct services to participants (training vouchers, supportive services, etc.) must be entered into SC Workforce Online Services voucher section to track obligations and expenditures on a real-time basis in accordance to SC State requirements.

In addition, the successful Bidder will abide by all data entry requirements of the South Carolina Works Online Services (SCWOS) Users Guide. The MWDB staff will provide training to the successful Bidder on the operation of this system in regards to eligibility determination, reporting requirements, SCWOS forms, career and training services, case notes, performance, follow-up, etc. Successful Bidders are expected to comply with all Federal, State, and Local instructions and guidance.

The successful Bidder must be familiar with the new OMB Circular 2 CFR 200 and be prepared to comply with the OMB Circular revisions contained within.

D. Monitoring and Evaluation

Successful Bidders will be required to develop internal monitoring procedures to ensure program operations are conducted in compliance with the WIOA and its Final Rules and Regulations.

PART IV: SPECIAL INSTRUCTIONS AND CONDITIONS

A. AMENDMENTS

If it becomes necessary to revise any part of the RFP(s), all amendments will be provided in writing to all Bidders. **Verbal comments or discussions relative to this solicitation cannot add, delete, or modify any written provision. Any alteration must be in the form of a written amendment to all Bidders.**

B. CONTRACT TYPE

The MWDB will consider two types of contracts either Cost Reimbursement or Fixed Price/Performance Based, as described below:

1. Cost Reimbursement. A contract or grant with a line item budget based on all authorized and legitimate costs to be incurred by the contractor in carrying out the approved training activity. The contractor is reimbursed for actual expenses according to the approved line item budget.
2. Fixed Price/Performance Based. A fixed price contract is an agreement in which full or partial payment is held until the performance of clear outcomes occurs such as job placement and/or the attainment of six (6) months of employment retention. Such a contract is negotiated based on the submission of a line-item budget and definite benchmark payments in response to this RFP. Bidders submitting fixed price/performance-based proposals must complete a line item budget and a proposed payment schedule or risk being declared non-responsive. The line item budget must show actual cost and must include profit when applicable. Profit is to be separately identified and shown in a designated line item as appropriate. All fixed price/performance-based contracts will be negotiated based on the Bidder's proposed performance levels. Therefore, the Contractor will earn the full-negotiated fixed price only upon achievement of these levels.

Criteria for profit must be verified and validated by MWDB staff. Criteria for profit may be used to evaluate the Bidder request for payment of profit. Payment of profit to the Bidder may be payable on a monthly, quarterly, mid-year or end-of-the-year (closeout) basis. Criteria for profit may be negotiated with the selected Bidder.

C. MULTIPLE PROPOSALS

Proposals may be submitted to provide services/activities in one or multiple counties. However, if proposed activities are substantially and materially different in terms of effort, cost, or otherwise, a separate response package may be in your best interest. A separate response is not required for a comprehensive proposal; however, each response package submitted will be evaluated on its own merit.

D. COPIES TO BE SUBMITTED UNDER SEAL AND AUTHORIZED SIGNATURES.

Each Bidder is to submit an original and three (3) total copies of their proposal. One with original signatures that is stamped or marked with the word "ORIGINAL". Each copy of the proposal and all supporting documents should be bound or stapled in a single volume. The name of the Bidders organization, name of the person submitting the proposal, type of proposal submitted, "Request for Proposal MWDB 25-01" and the RFP date must be typed or written on the envelope or wrapping containing the proposal. The pages of the proposal must be numbered and the font should be at least an 11 point size.

E. REQUIRED SIGNATURE

Each grant application must be signed by an official authorized to contractually bind the Bidder and commit to the provisions of the proposal. Unsigned proposals will be rejected. The proposal shall include a statement to the effect that the request is firm for a period of at least 90 days from the closing date for submission.

F. ADMINISTRATIVE FISCAL CAPABILITIES

The Bidder's administrative fiscal capabilities will be assessed by a review of the completion of the Bidder Response Package. Before contracts are finalized, MWDB representative(s) will complete a Pre-Award survey and may visit the offering entity to affirm certain items. Any discrepancies found will be brought to the attention of the MWDB before contract finalization and may affect the award of a contract.

In general, Bidders who are awarded a contract will be required to maintain records for a time period sufficient to cover federal administrative timelines. Typically, the MWDB Administrative staff will collect participant files to be maintained for auditing while financial record maintenance remains with the contractor.

G. DOCUMENTS REQUIRED OF SELECTED BIDDERS

Before contracts are finalized, selected applicants shall provide additional compliance information to the MWDB including:

- federal ID number;
- list of Board members,
- charter and bylaws;
- certification of signatory authority;
- banking arrangements;
- current fiscal statement and most recent audit;
- bonding agreement;
- indirect cost plan (if applicable);
- suspension and debarment certification;
- certification of a drug-free workplace;
- grievance procedures; and,
- staff, personnel, and travel policies

H. TIME FRAME

All budgets submitted for activities under this RFP are to be for costs authorized under Public Law 113-128, Title I, in support of Adult, Dislocated Workers & Youth and One-Stop Operator Activities incurred July 1, 2026 – June 30, 2027. The Midlands Workforce Development Board intends to select a provider for a four (4) year period – the initial contract period, and three subsequent years. Contracts and budgets for PY27, PY28, and PY 29 will be contingent upon variables to include but are not limited to need, available funding, contract compliance, and performance.

No guarantee for the availability of these funds is made at this time. The awarding agency's funding obligations under any agreement are contingent upon receipt of funds from the USDOL/State allocation within the awarding agency's total jurisdiction. The awarding agency is in no way obligated for any funds not received nor any decrease in funding required by allocation formulas.

I. INDIRECT COSTS

All Bidders who include indirect costs in their application budget must have an indirect cost plan approved by their cognizant agency. However, this may be negotiated in the awarded budget based on final WIOA allocations for Program Year 2026.

J. DISCUSSION/NEGOTIATION

By submission of a proposal, Bidders agree that during the period following issuance of a proposal and before final award of contract(s), the Bidder shall not discuss this proposal request with any party except the local WIOA Administrator. In accordance with Section 11-35-1530(6) of the S.C. Consolidated Procurement Code, the Administrator and designated staff reserve the right to conduct discussions with Bidders who submit proposals, that appear eligible for award, for clarification to ensure full understanding of, and responsiveness to, the requirements of this RFP. Bidders shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of their proposals, and such revisions may be permitted after submission and before award to obtain best and final offers. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing Bidders.

K. PROHIBITION OF GRATUITIES

Bidders and their representatives as well as officials who review and make judgments on any award made as a result of this RFP are prohibited by South Carolina law as amended at Section 8-13-420 from making or accepting any compensation or promise of future employment to influence any action, vote, opinion, or judgment.

L. APPEAL/PROTEST POLICY

1. Bidders dissatisfied with decisions regarding contract awards or aspects of this procurement process can appeal to the MWDB Executive Committee in the manner stated in subparagraph 2, below. The rights and remedies granted to a disappointed Bidder are to the exclusion of all other rights and remedies of such disappointed Bidder against the MWDB, the State of South Carolina at common law, or otherwise for the loss or potential loss of award of a contract under this solicitation.
2. The complaint must be submitted in writing to the Chairperson of the MWDB and must specifically state the decision, the basis for the complaint, and the remedy sought by the complainant. The appeal must be made within fifteen (15) days of the issuance of the RFP; any amendment to the RFP; the intended award pursuant to the RFP; or, the award of the contract.

NOTE: *The appeal process is established to provide recourse for Bidders who think that their proposal did not receive proper consideration. Bidders entering an appeal should be prepared to document specific facts that put the aggrieved Bidder at a competitive disadvantage and document violation of specific sections(s) of the Act or Regulations. Bidders cannot appeal simply because they believe their program to be superior to any selected. The MWDB reserves the right to refuse to consider any appeal that does not identify specific procedural shortcomings.*

M. BIDDER'S RESPONSIBILITY

All Bidders are responsible for understanding conditions relating to the scope and restrictions of work to be done as a result of this request. The failure of Bidders to acquaint themselves with instructions, conditions, and information relative to the RFP and its scope of work does not relieve them of any obligation with respect to this request or the contract.

N. AFFIRMATIVE ACTION

Bidders who are awarded contracts will comply with all Federal and State requirements concerning fair employment. As a condition to the award of financial assistance under WIOA, the grant applicant assures that it will comply with nondiscrimination and equal employment opportunity provisions of WIOA with respect to the operation of WIOA programs or activities.

O. OPTIONS TO EXTEND

The Midlands Workforce Development Board intends to select a provider for a four (4) year period – the initial contract period, and three subsequent years. Contracts and budgets for PY27, PY28, and PY 29 will be contingent upon variables to include but are not limited to need, available funding, contract compliance, and performance. Based upon funding availability, the MWDB may extend a contract period of performance if it appears to be in the best interest of the MWDB and is agreeable with the contractor. If performance is satisfactory and grant administration is found to comply with all program regulations, the Grant may be extended on a year-by-year basis for up to three additional years. MWDB may adjust slot levels; number of participants served; and/or associated costs at any time during the contract period.

P. STAFF QUALIFICATIONS

For each proposed staff position, the Bidder must provide education and experience requirements and performance

standards that staff will be expected to meet. Bidders should address special computer and technological skills of staff persons that will be essential to the efficient use and maintenance of the WIOA customer tracking system. The Bidder should provide information on WIOA-relevant workshops, conferences, seminars, professional organizations, and/or other activities key staff members have participated in over the past two years to stay abreast of current and best practices in the employment and training field. For vacant staff positions, Bidders should attach a statement of their commitment to hiring qualified staff and to ensure that staff will stay current and knowledgeable in all areas associated with their job responsibilities. If the staff person is known, a resume for that individual should be attached to the job description(s).

The Midlands area is committed to continuous improvement and as such encourages staff development and training opportunities for professional staff. In addition to attendance at State and Regional conferences, the Midlands area seeks to fill staff positions with highly qualified and certified individuals. Appropriate workforce professional certifications are available at a number of vendors. By the third quarter of program operation, a minimum of 50% of the total staff should be certified as Career Development Facilitators (CDF) or Certified Workforce Development Professionals (CWDP).

Q. AUDIT/MONITORING EXCEPTIONS

No contracts will be finalized with approved Bidders who have outstanding audit resolutions and/or monitoring exceptions unless negotiations have been initiated and the MWDB staff determines that a resolution is forthcoming. Funding under this RFP may be decreased by an amount equal to costs disallowed as a result of any prior financial and compliance audit, monitoring, or otherwise.

R. FORMAT FOR PROPOSAL

Proposals are to be designed to provide the MWDB with a straightforward presentation of the Bidder's ability to satisfy the requirements of this RFP. Bidders must address the technical and cost factors associated with the proposal. The proposal must, therefore, be prepared in accordance with the format outlined in the Evaluation Criteria, Technical Response Package, and Budget Response Package. Elaborate brochures and other promotional materials are not desired.

S. ERRONEOUS PROPOSAL

Correction or withdrawal by the Bidder of an inadvertently erroneous proposal, before proposal opening or withdrawal by the Bidder of an inadvertently erroneous proposal afterwards based on such mistakes, may be permitted. Each written request to correct or withdraw a Grant application must document the fact that the Bidder's error would cause him substantial loss.

T. PROPOSAL AND PRESENTATION COSTS

The Bidder will bear all costs associated with the preparation and any oral presentation of the proposal. The MWDB will pay on behalf of its employees and agents the cost of all reasonable travel and living expenses associated with evaluation visits to a Bidder's location.

U. PROPOSAL CONSTITUTES OFFER

By submitting a proposal, the Bidder agrees to be governed by the terms and conditions as outlined in this document, in the Workforce Innovation and Opportunity Act, and any changes in the WIOA Federal Regulations. Any proposal containing variations from the terms and conditions of this RFP, at the sole discretion of the MWDB, may be determined unresponsive. Any inconsistencies between the RFP and other contractual instruments shall be governed by the terms and conditions of the RFP, except where subsequent amendments to any award resulting from this RFP are specifically agreed to in writing by the parties to supersede any such provisions of this RFP.

V. MWDB RIGHTS AND OBLIGATIONS

The MWDB reserves the right to select such Bidders which it deems appropriate and is not bound to accept any proposal based on price alone, further reserving the right to reject any proposals if it is deemed to be in the best interest of the Midlands Workforce Development Area. The MWDB, Central Midlands Council of Governments (CMCOG), nor any agent thereof, on behalf of the MWDB or the CMCOG, will be obligated in any way, by any Bidder's response, to this RFP.

W. SPECIFICATIONS MANDATORY

To have an acceptable proposal, the Bidder shall meet all of the specification requirements outlined in Parts I-VI and the Budget Sheets of this RFP. By incorporating these specifications into the proposal the Bidder is agreeing to comply with them, subject to acceptance by the MWDB of any amendments submitted by the Bidder.

X. SUBCONTRACTS/SUBTIER AGREEMENTS

If the Bidder plans to subcontract any activities or funds pursuant to an award, a copy of the proposed subcontract agreement must be attached as a part of the proposal. No part of a proposal (or subsequent contract) may be subcontracted without prior written approval by the MWDB. The Bidder in subcontracting of any of the services and/or activities hereunder expressly understands that in entering such subcontracts, the MWDB is in no way liable to the subcontractor.

Y. CONTRACT AWARD

Contracts shall be awarded to responsive Bidder(s) whose proposals are determined to be most advantageous, taking into consideration the evaluation factors set forth hereinafter. However, the right is reserved to reject any proposals received, and in all cases, the MWDB will be the sole judge as to whether a Bidder's proposal has or has not satisfactorily met the requirements of this RFP, as governed by the SC Consolidated Procurement Code and Regulations. Terms and conditions that are included in this RFP will be part of all Contracts awarded. Terms and Conditions may be subject to changes as a result of changes in (1) Federal or State Code and/or Regulations, (2) MWDB policy or (3) administrative procedure. Notice will be mailed to Bidders, informing them of the success or lack thereof, of their proposal to receive an award.
